The Hamish McBeth Collection includes bold and classic style leather collars and leashes, waterproof raincoats, pure wool jumpers, toys, and engravable dog tags decorated with Czech crystals. Our products are sold in over 30 countries. Now, for the first time, it is being stocked in the US to streamline distribution.

The brand is way ahead in design and quality to what is currently available. Hamish McBeth's styling is unique and distinctly different. We dare to be different by designing products to reflect the taste of today's up-to-date pet owners. We only work with the finest leathers and materials.

We take pride in the design and ergonomics of our dog and cat collars, color fastness of our leather leashes and the durability of our pet products. Your pet deserves a wardrobe of finely finished leather collars to suit the mood so we put our designers to work focusing on attention to detail in the security of the product. At Hamish McBeth we road test and review our dog collar buckles and leash clips to ensure they are always secure. Canine fashion comes and goes but style lasts forever.
